### Overview:

In the city of Palermo, the City Sightseeing® service is divided into **Line A**, which allows to view the splendors of the **historic centre**, and **Line B**, which shows the **Liberty city area**, the main villas and **Zisa Castle**. A further route reaches the **Cathedral of Monreale**, a famous Norman jewel, built by William II of Altavilla, located on the Rocca Di Monreale, where you will be able to admire the entire Conca d'Oro.
