A Day in Florence: Round trip train ticket from Venice & Florence Hop On Hop Off

Location: Florence Night(s): 1d Language: Multilingual

Overview:

Want to visit Florence? With our brand new package you can reach Florence from Venice and explore the city independently while saving time and money!

With this package you can **easily reach Florence** from the Centre of Venice with the high speed train, once arrived at Santa Maria Novella you will find all the assistance and professionalism of staff **City Sightseeing** at the stops close to the train station.

On board the multilingual commentary will tell you the story and many curiosities about this fascinating city, thanks to free WiFi on the bus you can download our **APPLICATION SIGHTSEEING EXPERIENCE** which offers you an additional audio guide in 5 languages and shows you the position of our buses in real time over waiting time at stops!

HOW IT WORKS:

1) By Purchasing this package you will receive an automatic confirmation with your voucher attached. You will need that voucher in order to enjoy your City Sightseeing Florence.

2) You will just have to show your voucher at the City Sightseeing Florence Visitor Center or on the bus to get your City Sightseeing ticket.

3) We will book train tickets for you, the departure time of the train from Venice will be between 7:25 and 9:25, while the departure from Florence will be between 16:30 and 17:30; the schedule may vary depending on availability on board the train.

4) Within 48 hours from your booking we will forward you your train tickets; remember to store them and print them. Over the tickets we will sent you, you will find the departure time and the train number; we kindly suggest you to be at the train station at least 20 minutes before the scheduled departure of the train. Once you arrive at the station remember to check the binary number on the digital billboards
